

# Call for Nominations now open for the **2018 AAALAC International Fellowship Award**

If you are an IAT Registered RAnTech  
**apply by 1 June 2018**

AAALAC is a private, nonprofit organisation that promotes the humane and responsible treatment of animals in science through education and voluntary assessment and accreditation of animal care and use programmes. To that end, AAALAC International supports an educational exchange programme known as the AAALAC International Fellowship.

**The AAALAC International Fellowship** recognises two outstanding individuals—one IAT Registered (RAnTech) and one AALAS Registered (RALAT, RLAT, RLATG, CMAR)—who have made (or have the potential to make) significant contributions to the field of laboratory animal care and use.

**This fellowship is valued at more than £3000.** The IAT Registered winner will receive a week-long guest visit to prestigious biomedical research facilities in the U.S. this autumn, plus complimentary attendance at the National AALAS Meeting, the U.S.'s largest laboratory animal science and technology meeting. All registration, travel, lodging, meals, and out-of-pocket expenses are covered (receipts are required).

## **To apply**

1. Write a brief letter nominating yourself (or have someone write this letter on your behalf)
2. Include a 500-word written statement describing why you should be selected
3. Include a copy of your CV
4. Include no more than three letters of support

## ***Be sure to address these points in your application package...***

- What have you done to promote animal welfare and refinement in your workplace?
- What have you done to promote animal welfare and refinement outside of your workplace?
- How have you shared your knowledge of laboratory animal care with others?
- If you are selected, how will this award benefit your career and your associates?
- How will you translate this experience back to your workplace and your local association?
- Does your package include evidence of leadership or leadership potential and participation with posters, presentations or publications?
- Based on your experience, what role does AAALAC International play in ensuring the humane treatment

of animals in science? Describe your interactions with AAALAC International (e.g., participated in a visit; helped prepare your institution for a site visit; reviewed the information on the AAALAC International website such as the FAQ's, Position Statements, Newsletters; attended an AAALAC presentation, etc.)?

- Have you participated in overseas meetings in the past?

*Awardees are expected to share their experiences briefly by preparing a written report for AAALAC International.*

*Awardees are also expected to communicate their experiences to peers by presenting at a local or national conference.*
