The Council on Accreditation consists of international laboratory animal professionals who perform the on-site assessments and award accreditation to institutional animal care and use programs. The "Pacific Rim Section" of the Council on Accreditation is comprised of 13 individuals who offer outstanding expertise.

Pacific Rim ad hoc Specialists Lend their Expertise to AAALAC Site Visit Teams

AAALAC International Council members are assisted by ad hoc Specialists who accompany them on site visits and make recommendations to the Council on Accreditation. These Specialists add depth to the site visit team, and understand the intricacies of balancing the research mission with animal well-being. Currently there are 68 ad hoc Specialists from the Pacific Rim region.
